

Get More Reviews with Dispatch & Podium

Dispatch and Podium have teamed up! Now, Podium can automatically trigger a review request for all your work scheduled in Dispatch. Just complete your job in Dispatch and let Podium send the review.

Effortless Integration

The Dispatch and Podium integration is simple and free* for your business. Once your accounts are connected, no more work is required of you!

**Must be subscribed to Podium*

Improved Efficiency

Reduce time spent scheduling and asking for customer feedback, as Dispatch customer notifications and Podium reviews will help you do so automatically!

Online Reputation

Effortlessly collect reviews from happy customers which will help improve your online reputation and awareness to potentially attract future customers to your business.

Monitor Your Performance

Automatic review and survey prompts sent from Dispatch and their results displayed in Podium allow you to monitor your business's performance and those of your staff, enabling quick customer follow ups.
