Infinicept

GET PAYMENTS GOING YOUR WAY™

NOTE: TO MAKE THIS YOUR DEFAULT
TEMPLATE IN POWERPOINT...

FIRST: SAVE THEME
1. On the Design Tab, click the arrow to the
    right of the theme gallery.
2. Go to Save Current Theme at the bottom
    of the menu and select it, name it
    Infinicept theme then click Save.

SECOND: SAVE THEME AS DEFAULT
3. On the Design tab, click the same arrow to
    the right of the theme gallery and point to
    the theme that's now appearing under the
    section Custom, then right-click on it.
4. Click Set as Default Theme. The next time
    that you open a new presentation, it will
    open with this theme as your default.
